Kit Building project

Air Filter Mask

- Team Leaders
 - Kushal Basnet and Mohiuddin Ahmed
- Originally an idea for a design competition that was not pursued
- Motivation
 - Smog filled cities: China, India, Saudi Arabia, Iran, etc.
 - useless surgical masks and expensive respirators
 - Has become a part of fashion
- Idea: Mask somewhere in between
 - What to filter? How to filter it?
 - Design? Traditional or outside or the box?

If You Had an Internship Last Semester

STAY AND TALK TO THE BOARD ABOUT IT
